OUR STORY AND OUR MISSION

- *With the vision of catering to the ever increasing demand of hospitality essentials in the rapidly expanding population of the United Arab Emirates, Tasneem al Jannah Trading LLC was established in November, 2021 under the patronage of Ms. Tasneem Jameel.*
- *We, at Tasneem al Jannah, believe that everyone should be benefitted from a good night's sleep and enjoy a comfortable stay. Tasneem al Jannah has started out as a fledging company consisting of a small dedicated team, with a mission of reaching a global market, with an ever expanding range of products that enrich hospitality.*
- *We would be glad and proud to assist you with your unique requirements. Offering 100% quality products, Tasneem al Jannah leads the way in ensuring luxury & comfort stylishly.*

What We Offer

Our expertise is to supply best quality fabrics that meet our exacting specifications, to produce an extensive range of soft furnishings, and hence the company has established tie ups with some of the leading manufacturers across the world. Owing to the quality, the items are being well received by both the hospitality and décor industry around the country.

Using our understanding of the needs of these sectors, we have further extended our range to source and supply a host of bathing, grooming, and hygiene products as well, that are suitable for the relevant industries.

As we grow, we aim to become the trusted supplier of choice for bedding, toweling and soft furnishings for the hotel, hospital and décor industry.
